1 Requirements to use Citrix Service

1. **ANDRITZ Username and Password:** Make sure that you've got a **valid ANDRITZ Domain user and password**. These will be provided by your ANDRITZ internal contact person.
2. **Register for Multifactor Authentication (MFA):** Your user account must be enabled for MFA. Please follow the instructions at [Multifactor Authentication for Citrix Login¹](#) to activate your account for MFA.
 - a. We recommend that you to also apply for the Self Service Password reset (enrollment in the same portal as for MFA).
3. **Download and install Citrix Receiver (Citrix Workspace App):** You can find the download at: <https://www.citrix.com/products/receiver.html>

Support: Contact the local Helpdesk via your ANDRITZ contact person to open a ticket: Please provide username and a detailed description (best with screenshots) of the issue.
